RE: 12 Day Pre-General Election Report (10/01/00 - 10/18/00)

Dear Mr. Maxwell,

This letter and the attached amendments are in response to your recent request for additional information for the above referenced report. An amendment to this report and amendments to subsequent reports for the calendar year were filed on March 7, 2001. The amendment addresses most of the issues you raised in your letter.

Cash-on-Hand and Year-to-Date Totals

The beginning cash balance on the amendment filed on March 7<sup>th</sup> equals the ending balance of the amended October Quarterly Report. The year-to-date totals in Column B on the Detailed Summary Page are also correct on the amendment to this report and the amendments to the subsequent reports.

Itemized Contributions

An amended report is enclosed to correct the amount of itemized contributions received from individuals on Line 11(a) to equal the total reported on Schedule A. This number was incorrect due to a clerical mistake.

Schedule B

Schedule B, Line 23 has been amended to provide the office, state and congressional district of each candidate running for federal office. In the future, contributions to candidates for nonfederal office will be itemized on Schedule B, Line 29.
